

Our New President's New Year Message

My wife and I would like to wish all of our Falcon Club members a Happy and Blessed New Year!!

I believe that from what I have seen and heard, we are all very much looking forward to a great 2010 for our Falcon Club. Our January monthly meeting at the home of Betty and Leon Goddard was well attended and, as usual, very well done.....THANK YOU! We laid out plans for some new monthly meeting sites at different venues.

From what I have heard about the January Silver Springs trip, we were most fortunate that none of our 9 members that made the journey came down with frostbite symptoms! Even with the nasty weather our folks made the best of it.

Gary Goddard continues to coordinate our efforts for our 3rd annual All Ford Show at Summit Racing in McDonough on 7/24/10 and he has put quite a few fine plans in place.....how about a Big Bad Thunderbolt on the turntable! I ask that all of our members sign up to help out on that day as we are expecting to break our attendance record again this year. Every single member that I know of that has helped out in the past has enjoyed it. We will need help in several different areas including: set-up, sign-up / registration, door prize coordination, clean-up, and many other activities. PLEASE e-mail Gary or myself if you are willing to help in one of these areas.

I am definitely looking toward our club's best year ever and again, HAPPY NEW YEAR!!

Fred Hartley

President
